

What You Think Matters

CAMHS wants to hear from you

Everyone's journey is different.

ELECT is the 'voice' of parents, carers and consumers who come to CAMHS. We are a safe and supportive space for you to provide feedback and share ideas over coffee.

The things you learn during your journey with CAMHS could be helpful to others in a similar situation. Your feedback may also create change.

If you are interested in finding out how you can join us, be part of positive change for the service, or just chat with like-minded people, please contact us via email
